Re: Shane vs. Blue Cross Blue Shield of Michigan Case 2:10-cv-14360-DPH-

MKM

Dear Judge Hood,

I sent class counsel an email requesting them to send a letter to the court asking for a decision in this matter that has been pending for over six months delaying justice for the class. I also informed them I would send the letter instead to the court in two weeks on behalf of the seven million Michigan residents if there was nothing on the docket as of today. There is nothing on the docket, hence this letter.

The class is entitled to a decision, justice delayed is justice denied. Please issue a decision as soon as possible.

Thank You,
